2011 - BRINGING BUSINESS HOME

May 16th, 2011

Dear Champions,

We are proud to announce the first annual Champions for a Cause event. This year's initiative is *Bringing Business Home*, which will be supported by fund raising events August 18, 19, and 20th. Our goal is to raise \$75,000 towards a building fund for Special K Ranch. This building will bring business home for the residents of Special K Ranch and offer revenue generating opportunities in light manufacturing; complimenting their already successful agriculture and horticulture businesses.

We invite you to be a part of this fund raising initiative by joining an impressive list of sponsors and participants who share in the appreciation of the Special K Ranch. Your participation and/or sponsorship in support of Champions for Cause events will be greatly appreciated.

Included is a list of our Champions sponsorship packages for your review. Should you have any questions regarding the Champions for a Cause-*Bringing Business Home* events or would like to customize a sponsorship package to meet your marketing needs, please feel free to contact us at 406-322-6036 or visit our web site at [championsforacause.net](http://championsforacause.net).

*Thank you*

## About Special K Ranch

Special K Ranch is located on 230 acres, 10 miles West of Park City and 8 miles East of Columbus, Montana. The property is bordered on the north by Interstate 90 and on the south by the Yellowstone River. It is accessible by taking the frontage road from either Park City or Columbus.

The ranch serves both men and women, ages 18 and older, who have cognitive disabilities. The program is designed to serve people who may need to live within a supportive community all of their lives. Residents have the ability to manage primary self-help skills and to communicate basic needs.
